SMALL ISLAND | BIG EXPERIENCES

TASMANIA IS AN ISLAND OF DIFFERENCE.

Dramatic beauty, modern sophisticated cities, friendly innovative people and a fascinating preserved history make up Tasmania's appeal. Located at Australia's southernmost tip, just 50 minutes' flight from Melbourne, you'll find an unspoilt yet accessible wilderness, colonial heritage, and superb fresh produce with award-winning wines, spirits and ciders.

Tasmania has an enviable brand and it regularly features in the lists of top destinations to visit. For your delegates and corporate partners, coming to Tasmania will be a 'bucket list' experience.

Many visiting delegates take the opportunity to explore this amazing state. With Tasmania's relatively small size, they will find big, unforgettable experiences right on their doorstep.

Five-star luxury hotels, unrivalled experiences with little more than a backpack, and quality accommodation and venues to reinvigorate your conference or incentive group.

Our small island is famous for its superb wine, prize-winning whisky and beer, and extraordinary food based on the huge range of local produce.

Tasmania is big enough to host a conference of 1,100, but small enough to make every delegate feel like a welcome guest.

In everything we do, our commitment is to achieve the highest quality and standard of service.

GENUINE, CONFIDENT, REASSURING, FRIENDLY

PENNICOTT WILDERNESS | Journeys

Australian Tourism Legend Robert Pennicott and his team of passionate local guides have been sharing Tasmania with travellers since 1999. Over its 20 year history, Pennicott Wilderness Journeys has won multiple awards including 12 Australian and 28 Tasmanian Tourism Awards.

Today, Pennicott Wilderness Journeys operates five experiences in Southern Tasmania: Bruny Island Cruises, Tasman Island Cruises, Iron Pot Cruises, Tasmanian Seafood Seduction and Bruny Island Traveller.

Bruny Island Cruises and Tasman Island Cruises allow travellers to experience close encounters with wildlife and explore the spectacular national park coastlines of Bruny Island and the Tasman Peninsula aboard custom-built yellow boats. These coastlines are home to a variety of wildlife including hundreds of seals, migrating whales, playful dolphins and sea birds in their thousands. The custom-built yellow boats feature covered open-air tiered seating, meaning an excellent all-round view and connection with the environment. The boats are safe, comfortable and gentle on the environment. Tours depart daily from Hobart, Bruny Island and Port Arthur.

Iron Pot Cruises is a 2.5-hour cruise exploring the renowned waterways that influence Hobart's lifestyle and rich maritime past. We visit Australia's oldest lighthouse, the Iron Pot Lighthouse, and circumnavigate Betsey Island, which is home to a variety of seabirds, including gulls, cormorants and the majestic white-bellied sea eagle. Tours depart daily from Hobart.

Tasmanian Seafood Seduction is a full-day tour cruising on Tasmania's pristine waters, enjoying and gathering fresh seafood. Enjoy oysters and rock lobster, and see your guide dive for wild abalone and sea urchin. Be delighted as your catch is turned into a delicious seafood feast accompanied by gourmet

local produce and Tasmanian wines, boutique beers, ciders and juices. Tours depart daily from Hobart.

Bruny Island Traveller is a land-based gourmet food tour of Bruny Island departing from Hobart. This is a delicious day out where every course on the menu is a stop on your journey. You'll meet local producers and savour freshly shucked oysters, award-winning cheeses, local honey, premium wine, handmade fudge and world-class whisky. Tours depart daily from Hobart.

Our journeys can be easily tailored to create a memorable experience for your next conference event. Whether it's a small group of 10 delegates or a large group of 350 delegates, we have an experience to suit.

BETWEEN SPECTACULAR KUNANYI/MOUNT WELLINGTON AND THE BEAUTIFUL RIVER DERWENT, HOBART IS AUSTRALIA'S MOST PRISTINE AND PICTURESQUE CAPITAL CITY.

Hobart's accommodation capacity is expanding - new hotels soon to open include the 'The Tasman' Marriott Luxury Collection, Crowne Plaza, Mövenpick Hotel and Vibe Hotel, adding over 700 rooms to Hobart's accommodation capacity.

There are venues to suit all needs and budget, including conference facilities for up to 1,100 delegates, flexible exhibition spaces for trade shows and exclusive retreats for smaller corporate groups.

Hobart is the perfect base for exploring Southern Tasmania. The World Heritage-listed Port Arthur Historic Site, Mount Field National Park and Bruny Island are easily accessible and can be incorporated into conference and corporate incentive programs.

HOBART | BIGGER THAN YOU THINK

"It is probably one of the easier cities to manage a conference of this size (1,000), everything is within walking distance, we are spoilt for choice with the venues for 1,000 plus delegates and the Hotel Grand Chancellor Hobart, where we've been based for the week, has been really well equipped for an event of this size."

Lexie Duncan, Encata

Hobart is an impressive destination for large events. More and more events of up to 1,100 delegates are discovering that Tasmania delivers events with big impact on experience, quality and value.

Not only can we host events of over 1,000 delegates, but we do it really well.

'F*CK THE ART, LET'S ROCK AND ROLL'
- ANON.

Mona has art and stuff but there's also the food, wine, bars, restaurants, cellar door, accommodation, library, and a chapel to atone for your many and shocking sins. Also, if you're planning on dropping off the perch any time soon, secure a place in our cemetery and enjoy eternal status as art aficionado extraordinaire.

Mona was designed by Fender Katsalidis Architects to be explored as a space of wonder and experiment. There are multiple spaces for you to hire, for groups of ten to 450, around the building and inside it. See mona.net.au for more information.

Our premier spaces include the Void, featuring the original sandstone wall from Mona's construction, complete with snazzy cocktail bar. There's also the Nolan Gallery, home to Sidney Nolan's modernist masterpiece, Snake, and a new 'skyspace' by the wondrous light artist James Turrell.

Executive chef Vince Trim and his team of trusty sidekicks will cater to your needs - from finger food to multi-course meals to banquets. This is complemented by Moorilla and Domaine A wine and Moo Brew beer of course. For the living and the dead alike, Mona is a temple to secularism - and hedonism. Come worship with us.

GLEN ALBYN ESTATE

Just 15 minutes from the CBD and boasting one of Tasmania's most magnificent outlooks, this unique private venue is dramatically nestled on clifftops above Hobart's River Derwent with the backdrop of Tasmania's historic landmark the Shot Tower. Glen Albyn's stunning panorama spans the mouth of the River Derwent, with expansive views of Storm Bay, Bruny Island and far beyond. Set on 15 acres of water-bound bushland, the Estate's sprawling grounds and exceptional facilities offer a feast of possibilities for any event.

OUR FACILITIES

This stunning private venue has four signature spaces, each with its own special ambience and appeal.

The Riverview Deck – where expansive decking merges with the waters of the River Derwent as it floats on sprawling, reflective infinity pools. Your guests can enjoy welcome drinks and canapés as the sun sets; the perfect start to their evening.

The Atrium and Pool Room – the Atrium provides for a more intimate occasion, but, combined, this space is perfect for any event. The views from these rooms are equally spectacular, with floor to ceiling windows and decks running their length, taking in the surrounding bushland and water views. In the nightlight, the Estate comes to life with our most sought-after experience: the Walk on Water Pool, with its glass top lit by optic fibre lighting, is a truly unique experience.

The Shed – enter from the Pool Room to a space that holds over 500 seated with an abundance of room for guests, staging and presentations for any spectacular event.

SEAGRASS LONG POINT

Our smaller, more casual waterfront property also has amazing views and sits right on the water on Sandy Bay Beach among lawns and park areas. This stunning restaurant, with surrounding decks for pre-dinner drinks, holds up to 120 seated and like Glen Albyn has a very special ambience and appeal.

OUR FOOD

At both properties, we offer you private and full use of our venue. We can do any style of event from gourmet BBQs to cocktail style dinners with a mixture of casual and sit-down seating and all-night roving canapés, tapas, or buffets to the most formal sit-down dinner with a 3-course menu or a degustation dinner. We put much love and pride into our food and service, and our innovative menus are carefully customised to reflect the uniqueness of your event.

"From the first phone call, Business Events Tasmania provided an excellent service and a great representation for Launceston. Their professional approach to attracting our client to Launceston was wonderful and what clinched the deal was seeing how well all operators worked together to show that Launceston has everything to offer as a great conference destination."

TASMANIA'S EAST COAST

If you're after breathtaking views and serenity to inspire your delegates, look no further than Tasmania's East Coast.

The area's sandy beaches, pristine ocean and magnificent wilderness areas make this one of the world's most sought-after destinations. The magnificent Freycinet Peninsula is a scenic 2.5 hours' drive north-east of Hobart. Uniquely located within the national park, Freycinet Lodge, and one of Australia's most luxurious lodges, Saffire Freycinet, are ideal locations for conferences, corporate retreats, board meetings and incentive programs.

TASMANIA'S NORTH WEST & WEST COASTS

The busy coastal city of Devonport is the gateway to the north west and beyond, boasting the contemporary conference and events venue paranple convention centre and hosting the Spirit of Tasmania ferry on its voyage to and from Melbourne.

The pristine nature reserves in the west of Tasmania are recognised by UNESCO as a World Heritage Area. Located just over an hour's drive from the coast, Cradle Mountain National Park is easily accessible and offers some of Australia's most famous walking trails and forest adventures through spectacular landscapes and among ancient forests.

Tasmania's regional towns and cities are suited to conferences and events up to 150.

The Tasmanian Business Events Attraction Fund (BEAF) allows Business Events Tasmania to offer financial support at the critical bidding stage, to help secure strategic national and international conferences that align with Tasmania's key industry sectors.

An event's suitability for support will be assessed by an external panel against a number of criteria including:

- How the business event relates to a key Tasmanian trade or business sector
- The business event's ability to drive visitation to the state
- The extent to which the business event supports regional yield and dispersal
- The business event's potential to leave a legacy in the state.

The Tasmanian Ambassador Program is a key part of Business Events Tasmania's network of contacts throughout the state. Together with our close links with state and local government, chambers of commerce, educational and research institutions, and our business partners, the Tasmanian Ambassador Program is an outstanding source of local knowledge and advice.

So, if you need advice about bringing your next event to Tasmania, if you're looking for speakers or panel members for your conference, or if you're looking to arrange industry visits or business networking events for your delegates, contact the team at Business Events Tasmania. With our network of contacts, we'll make sure you make the connections you need.
