

Franks Cider Tour

Today we will visit a 3rd generation orchard and farm down south at Franklin.

Naomie "Franks Grandaughter" will guide us on a small private tour of the farm and orchard before we enjoy 5 cider tastings and of course a hearty lunch with a glass of your private brew! With a strong emphasis on local fresh Tasmanian food you are sure to enjoy.

After all that fresh country air sit back and relax while our coach captain brings you safely back to your hotel.
