At Crowne Plaza Hobart, we're redefining what it means to travel. Where productivity meets memorable downtime, and every meeting is just the start of something greater. Escape the hustle without the hassle, right here in the heart of Hobart.

This guide has been designed to inspire, energise and connect your conference, and to ensure your delegates can enjoy that all-important downtime in an iconic destination.

Our dedicated Crowne Meetings Manager and team of expert planners are ready to custom design your event, to ensure your delegates leave feeling refreshed and recharged.

We believe our perfect distance to world class wineries and gourmet produce can stimulate better thinking, eliminate distraction and immerse people with inspiring experiences to contribute and gain more with their attendance.

If there is anything you require we are here to help and look forward to creating your next memorable event in Hobart.

Scott Schaefer.

FOOD PHILOSOPHY

We believe there are 3 key ingredients when creating original, beautifully crafted meals in Tasmania.

- Locally sourced, fresh produce and inherently based on the people in our community
- 2. We want every dish to show the beauty and integrity of each ingredient
- 3. Every component to reflect our passion for the culinary craft

TASMANIAN WINE MATCHED TO YOUR EVENT.

Home to well over 100 world renowned recognised wineries producing a wide array of fine wines reflective of their origin. Today, Tasmania is one of Australia's most popular wine regions; not to mention the many world class gin and whiskey distilleries the state boasts.

SUPPORTING LOCAL AND FRESH.

Let us take you on a culinary journey through Tasmania. Embracing regional food and wine in what we do, we strive to support local small batch producers and suppliers. Our chefs source the best seasonal ingredients from producers, farmers and winemakers across the region and state — with attentiveness to the often overlooked and a spotlight for the humble.

SUSTAINABILITY INITIATIVES

The 241-room Crowne Plaza Hobart opened its doors in 2020. Since then, sustainable innovations and initiatives to reduce its footprint while enhancing the guest experience have remained a key priority. The hotel, part of the IHG® Hotels & Resorts group, encourages guests and staff alike to participate in its green initiatives.

- LED lighting has been installed, with auto-dimming capabilities optimizes lighting based on ambient conditions and occupancy, reducing unnecessary energy consumption. Resulting in an 11% decrease per occupied room and a 6% decrease per available room in electricity use.
- Bulk amenities are provided by sustainable beauty brand Antipodes in tinted glass bottles to eliminate single-use containers saving 344,049 individual containers in the first year of implementing.
- 219 solar panels have been installed, reducing energy consumption and carbon emissions, saving 66.5 tons of CO2 emissions in the first year of implementation, which is equivalent to planting 2,219 trees per year.
- An all-digital experience in-room eliminates the majority of plastic and paper collateral, bamboo keys, water-efficient taps and showerheads, Installation of a Brita water filtration system to reduce single-use plastic bottles.
- 1,356 guests have opted into the "A Greener Stay" initiative, reducing housekeeping expenses and earning 500 IHG® One Rewards points per night
