FOOD PHILOSOPHY.

We believe there are 3 key ingredients when creating original, beautifully crafted meals in Tasmania:

1. Locally sourced, fresh produce and inherently based on the people in our community
2. We want every dish to show the beauty and integrity of each ingredient
3. Every component to reflect our passion for the culinary craft

TASMANIAN WINE MATCHED TO YOUR EVENT.

Home to well over 100 world renowned recognised wineries producing a wide array of fine wines reflective of their origin. Today, Tasmania is one of Australia's most popular wine regions; not to mention the many world class gin and whiskey distilleries the state boasts.

SUPPORTING LOCAL AND FRESH.

Let us take you on a culinary journey through Tasmania.

Embracing regional food and wine in what we do, we strive to support local small batch producers and suppliers. Our chefs source the best seasonal ingredients from producers, farmers and winemakers across the region and state – with attentiveness to the often overlooked and a spotlight for the humble.
