

Country Club Golf

The Range at Country Club

Welcome to our new world-class golf entertainment facilities at Country Club Tasmania. The Range incorporates a state-of-the-art driving range, an 18-hole mini golf course, a clubhouse restaurant, and event spaces available for hire.

The Driving Range

Practise your swing at Country Club's brand-new driving range or just visit for fun with friends. Featuring 28 individual bays with 14 upstairs and 14 downstairs, each holds groups of six people to play or practise to their heart's content. Avid golfers who want to warm up their game, as well as people wanting to play a leisurely round with family and friends can enjoy The Range, which also features a clubhouse restaurant with versatile function event spaces, overlooking the course and surrounding landscapes.

Mini Golf

Enjoy 18-holes of friendly competition and fun for all ages at our exciting new mini golf course. The course was designed by well-regarded Australian designer Richard Chamberlain who has recently built courses at Swing Factory Terrey Hills in New South Wales, and Morack Public Golf Course in Victoria. Keen golfers, enthusiastic competitors and beginners of all ages and abilities will be able to enjoy this course – whether it's a family day out or an evening catch-up with friends.

Group Events

The Range caters to all ages and is ideal for any occasion - corporate functions, parties, any celebration can be catered for, complementing Country Club's full resort experience.

The driving range and mini golf venues will operate seven days a week and will be fully lit during the evening. Both venues are available for exclusive use or part-hire.

Booking information, including pricing and menu options, is available from December 2024.

Corporate bookings will be released in November 2024.

Country Club Golf Course

The new golf course at Country Club is set to be a beautiful parkland-style offering with babbling creeks that meander through the course. With well-defined fairways, strategically placed bunkers, undulating big greens and feature bridges, whether you have a high to low handicap, enjoyment of the golf experience will bring you back again and again. We aim to be recognised in the Top 50 of all golf courses across Australia.

Launching in March 2026, famils available from March 2025 – ask the team
