

A hand in a white shirt sleeve is pouring a dark wine from a bottle labeled 'JANSZ' into several glasses on a wooden bar. The bottle also has a label that says 'CUVÉE' and '1834'. The glasses are filled with a golden liquid, likely champagne or sparkling wine. The background is blurred, showing more glasses and bottles.

WELCOME.

WELCOME.

A very warm welcome to Hadley's Orient Hotel, especially as you explore our unique range of event spaces, menus and experiences. Since 1834 Hadley's has stood in the heart of Hobart and today, she proudly owns her place as providing one of Tasmania's most enduring and charming hospitality experiences.

It is my great honour to lead our team as we go about making every occasion at Hadley's distinctive and memorable. We are so fortunate to work each day in the incredible spaces that make Hadley's so special, and it is our pleasure to share them with everyone, particularly with those who appreciate authenticity and attention to detail.

Our painstaking restoration is true to the magnificent Victorian era however we have added a few modern twists that make holding an event at Hadley's a little more convenient than in Queen Victoria's day!

Tasmania is famous for world-class produce which means our Chef is spoilt by access to the very best ingredients. Whether it is during dinner service, traditional Afternoon Tea, breakfast or in our range of event catering options, you are sure to find food to look forward to. This is complimented by our elegant Orient Bar which is the perfect place to host your delegates, plan the next day or unwind after your event has been declared a success!

I wish you the very best with organising your event, and on behalf of our whole team I welcome your interest in Hadley's Orient Hotel.

Kind regards,

Ben Targett
