

Bangor Cottage

The original farm house, Bangor Cottage was first built in 1906, and extended further in 1922. The cottage has been an important part of family life on the farm for over 100 years, with a number of the Dunbabin children being born, raised and educated in the cottage.

Bangor Cottage has a scenic outlook over Blackman Bay, and sits in the heart of the farm. It is an 8-minute drive from Bangor Vineyard Shed, and 10-minute drive from the township of Dunalley. The Cottage will accommodate 2 couples. Children can be accommodated.

The Cottage has a kitchen/dining room for preparing meals, lounge room with TV, sunroom, 2 bedrooms, large deck area, 1 bathroom, 2 toilets.

Explore Bangor while you are here. Upon request, we can provide you with a key that will allow you to do a self-drive tour of the farm. Stroll along one of the beaches, or take a walk to a scenic lookout.

Amenities

BASICS
