We look forward to welcoming you and your delegates to The Old Woolstore Apartment Hotel.

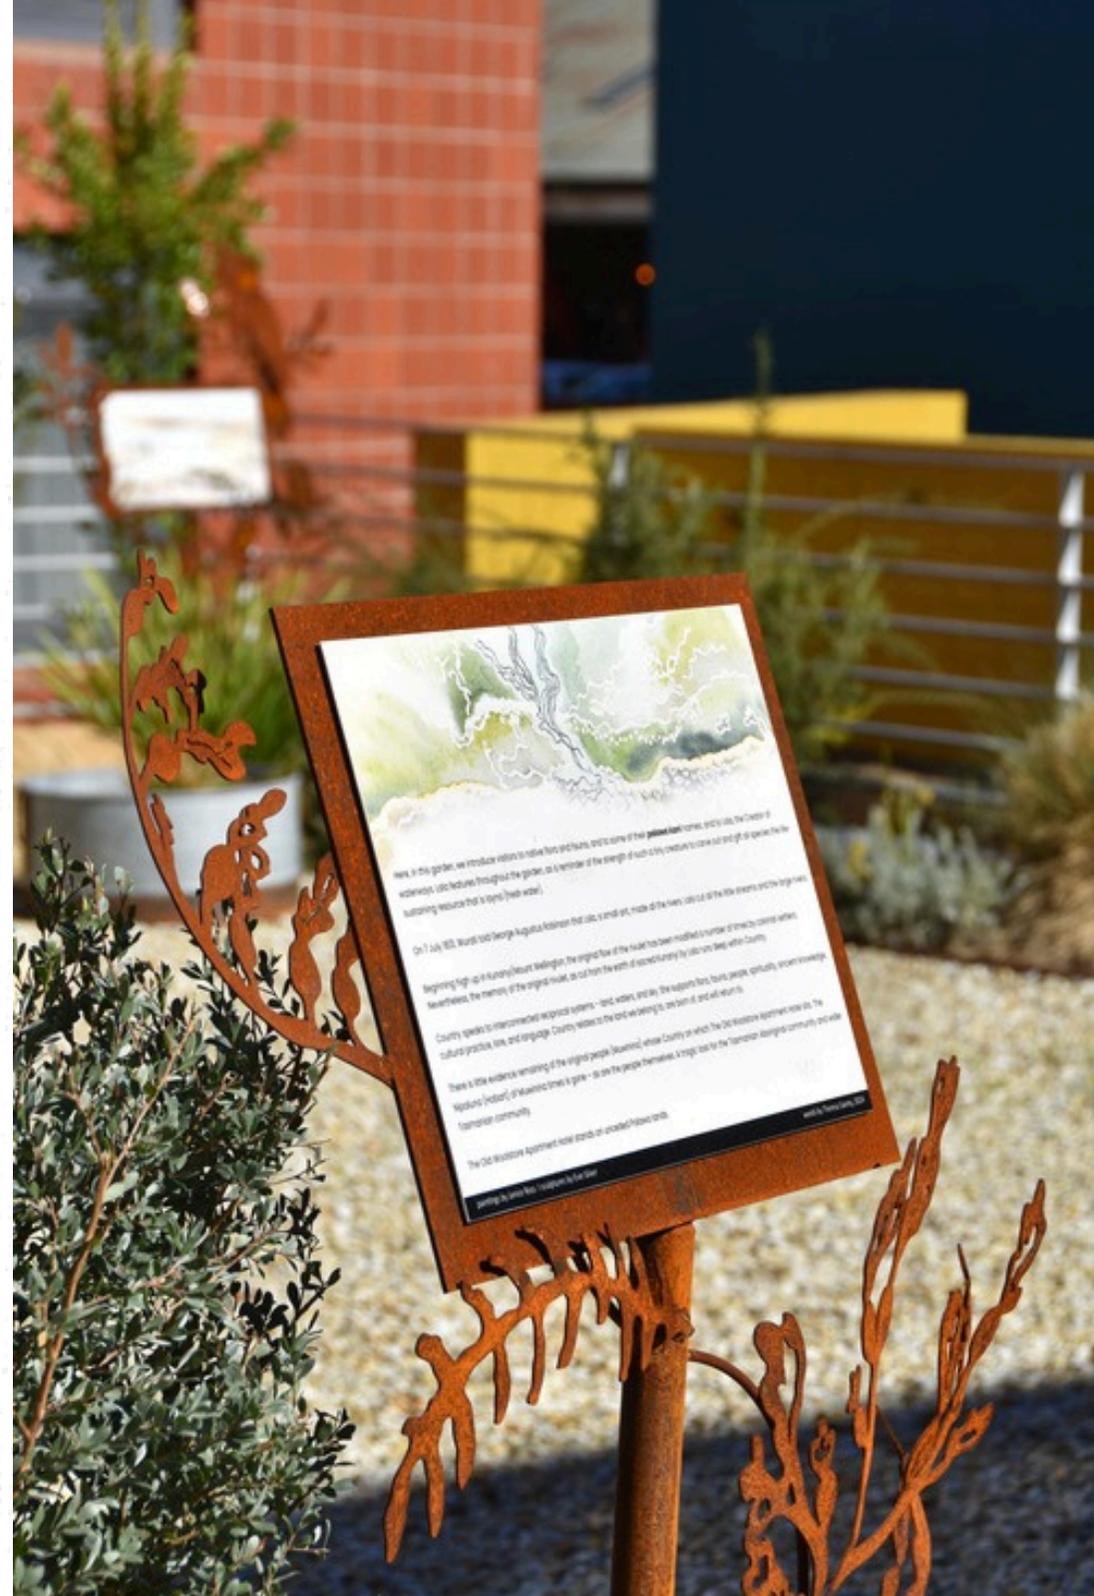

Acknowledgement of Country

Taking the time to Acknowledge Country, or including a Welcome to Country at an event, shows respect and reminds us that we are on Aboriginal lands – Palawa or Pakana Country.

LALA'S GARDEN

Lala's Garden is a dedicated outdoor space for a Welcome to Country with an array of Tasmanian native plants and art installations by Pakana (Tasmanian Aboriginal) artist Janice Ross and Tasmanian artist Evie Silver, with words by Pakana woman Theresa Saintry. The artworks focus on plants, birds and insects of the Hobart Rivulet which once flowed underfoot and opened into the Timtumili Minanya / River Derwent at this site. The space can be found by following a trail of ants which reference the Tasmanian Aboriginal creation story of how the waterways that flowed from Kunanyi/Mt Wellington were created by Lala, a small black ant.

There are plants in the garden which can be used for weaving workshops which can be conducted by a member of the Tasmanian Aboriginal community with a Welcome to Country.

- The use of this space is weather dependent.
- Access is available from 10am due to the location being adjacent to accommodation rooms.
- The ceremony and use of the space must remain smoke-free.
- While there is no additional cost to use this space at the start of your event, there will be a fee for engaging a member of the Tasmanian Aboriginal community to provide a Welcome to Country.
- Seating is limited to two sandstone benches, the space suits up to 40 guests standing.

ARRANGE YOUR WELCOME
